

Fleet

MS Zug

The MS Zug was awarded the international "iF Design Award" in Hanover in 2004 and the "Holzpreis Zentralschweiz" (timber award of Central Switzerland) in 2006. The rooms and decks are all different sizes, so it offers an ideal setting for even larger events.

Technical data

Technical data

Commissioning	2 May 2003
Shipyard	ÖSWAG Österreichische Schiffswerften AG, AT-Linz
Capacity	450
Overall length	45.6 m
Overall width	9.20 m
Side height	2.90 m
Max. draft when loaded	1.50 m
Generator Power supply	Scania 1 x 233 KVA 380/220 Volt
Drive motors	2
Type	MAN D 2866 LXE 42 6 cylinders Diesel engine
Performance	2 x 295 kW, (2 x 394 PS) at 2100 tpm
Power	Rudder propeller 2 x Schottel SRP 170
Boat type	2 deck diesel motor boat
Length along waterline	43.00 m

Width across main bulkhead	8.10 m
Water displacement when loaded	230 t
Maximum speed	27 km/h
Propeller	5 blade 1050 mm
