

Webcams

Yacht Club Zug 2019-01-20 CET 23:04:02

Wind-Dir: SW 205° Speed: 0.0 Kts 10 Min: 0.0 Temp: 1.7 C°
Barometer: 1017.0 hpa Trend: / Feuchte: 86%

The image shows a dark, grainy night view from a webcam. The scene is mostly black, with a few small, bright white lights visible on the left side, likely reflecting off the water or from a distant shore. The overall quality is low, typical of a night-time webcam feed.
